

PUBLIC NOTICE

NOTICE IS HEREBY GIVEN that the public notice which was published by health professional councils on payment of trading license by clinics operators is invalid effective January 2016. This follows the Amendment of the Trade Licensing Act, Cap 101 by Parliament and assented to by the President in November 2015. Therefore all operators of private allied health units (clinics) will automatically be required to pay trading license fees to local authorities on top of clinic license fees to allied health professionals council.

All Regional Allied Health Supervisors are requested to circulate this information to all Allied Health Supervisors under their supervision for information of all the affected professionals to avoid being caught outside the law because paragraph (f) under section 8(2) of the Trade Licensing Act, Cap 101 was repealed.
